Style
MEETS COMFORT

The Gleamcraft Collection features exquisite carving effect tiles that artfully reflect veins, creating a stunning and intricate pattern. These tiles boast a unique blend of craftsmanship and elegance, adding a touch of sophistication to any space. The veins in the design enhance the overall aesthetic, giving a sense of fluidity and natural beauty to the collection.

Bringing
LIFE TO VISIONS

Bring the beauty of natural stones into your space with our carving tiles. Our tiles are inspired by the unique textures and grains found in natural stones and feature a realistic carving effect that gives them a distinct look. Whether you're looking for a luxurious touch or want to make a statement, our carving tiles are the perfect flooring solution. Available in 600X600mm size, these carved surfaces will add a touch of elegance to any area.

Bringing
CONCEPTS TO CREATION

These luxurious surfaces are meticulously crafted by shaping and engraving intricate designs onto surfaces that resemble wood. Our exquisite surfaces showcase detailed patterns and visually captivating motifs. Ideal for giving your space a more rugged and weathered look, this elegant collection will meet your design taste in every way!

Crafting Spaces
FOR INSPIRED LIVING

Popular amongst those who admire a strong rustic feel in their environments, the Impio metallic series is reminiscent of hard-wearing metals that are often observed day-to-day. Elegant and gleaming with a metallic sheen, this surface is suitable for creating rustic to modern designs.
